Description
Set in the Pissouri countryside, this agricultural field covers 31,773 m² of regular-shaped land. The ground slopes across the plot and becomes very steep towards the west, where a river stream runs along the boundary. An asphalted road lies close by, though the field does not front it. The Limassol–Paphos Motorway is within easy reach, and the village of Platanisteia is a short drive away. The agricultural zoning suits farming or planting. A sizeable, regular field with a stream along its western edge.
