For Sale : **€ 1,200,000**

Description
Across from GSP Stadium in the Apostolos Varnavas and Agios Makarios quarter of Strovolos, this field of 6,550 m² has a long frontage on an asphalt road, which gives it direct road access and clear visibility. The Nicosia–Limassol motorway runs close by, so the wider road network is within easy reach. The land lies in a special planning zone that allows a broad mix of uses: offices, showrooms and specialised commercial buildings, sports and leisure venues, and homes, with buildings of up to two floors. Division into smaller plots is also permitted. It is a sizeable field on a well-connected road, with a wide choice of permitted uses.
