For Sale : **€ 103,500**

Description
Close to the seashore in the coastal community of Pigenia, this residential field of 27,425 m² brings the sea into everyday life. Morning walks to the water and evenings in the coastal air become part of the rhythm here. The land slopes and has an irregular outline, and a pathway runs along one of its boundaries.

The residential zoning allows for a home of up to two floors, so there is room to plan a house of your own within easy reach of the shore. Shops and cafés are a short drive away, and the Gialia Monastery makes a pleasant outing a little further afield, a reminder of the area's long history and character.

A distribution agreement is in place. The sale is a 33% share of the field.

A sizeable stretch of residential land, the sea close by and the calm of a coastal community around it.
