For Sale : **€ 190,000**

Description
Kiti's central square is only a short stroll away, and parks and green spaces lie within walking distance. Everyday life here keeps an easy, village rhythm, with the centre of neighbouring Pervolia close by too.

Inside, an open-plan kitchen, dining and living area forms the heart of the home. It opens onto a covered veranda, a natural place for a morning coffee or a long evening meal in the shade. A second, open veranda gives you more room outdoors. There are three bedrooms, including a master with its own en-suite, and a main bathroom serves the rest of the household.

A covered parking space on the ground floor is reserved for this apartment alone, so coming home is simple. The apartment sits in a convenient residential setting, with Larnaca International Airport a short drive away.

This is a comfortable three-bedroom home with outdoor space on two verandas and village life within easy reach.
