Three agricultural fields in Skoulli, in the Paphos district...

For Sale : **€ 150,000**

Description
Three agricultural fields in Skoulli, in the Paphos district, are sold together as one holding with direct road access. A pathway also runs along the edge of the land. The zoning is agricultural, so the fields lend themselves to farming or planting. The village centre is a short drive away, as are the neighbouring villages of Choli and Goudi, and a main road lies close by.

Two of the fields are sold in full ownership. The third is sold as a half share, with no distribution agreement in place. Together they form a sizeable piece of farmland in the Skoulli countryside.
