For Sale : **€ 65,000**

Description
Parks and green spaces lie within walking distance of this sizeable field in Agios Nikolaos, on the suburban side of Kato Polemidia, with the wider life of Limassol around it.

Most of its 6,689 m² sits in a residential zone, and a small part falls within a protection zone. The land fronts a public road, so it has direct road access, and electricity, water and telecommunications are close by. It is vacant today. Overhead high-voltage power lines cross part of the land.

On the residential part there is room for a home, set in a settled suburban neighbourhood. Schools are a short drive away, so the school run and everyday errands stay simple. An afternoon could end with a stroll to the nearby green spaces.

The sale is for a 38% share of the field. It is a residential setting with green space on the doorstep and Limassol within easy reach.
