Description
A short walk from the beach, in a peaceful residential corner of Vlachos, Aradippou, this apartment brings the seaside into everyday life. The historic arches of the Kamares Aqueduct and the Larnaca Salt Lake are both within walking distance, so an afternoon stroll can take in water, nature and heritage without ever reaching for the car keys.

Set on the top floor of a three-storey building, the home opens onto an uncovered veranda of 82 m², almost as large as the 80 m² inside. It is a space to lay a long table for friends, linger over breakfast or simply unwind outdoors as the day winds down.

Inside, a kitchen and living room sit alongside two bedrooms. The master bedroom has its own en-suite bathroom, and a second bathroom serves the rest of the home. A covered parking space on the ground floor adds everyday ease.

Comfortable, practical and close to the shore, it is a place to settle into the easy rhythm of life by the sea.
