**Description**
Mornings in Mesa Chorio can begin outdoors here. This ground-floor apartment opens onto a covered veranda and a private yard reserved for its own use. A shared swimming pool within the complex waits for warm afternoons.

Inside, the kitchen, dining and living areas share one open-plan space, easy for everyday meals and relaxed evenings with friends. Two bedrooms and a bathroom with a shower complete the layout, and the furniture is included. A covered parking space keeps the car out of the summer sun.

The setting is residential, with restaurants and cafés within walking distance for an unhurried coffee or a dinner out. Neighbouring Mesogi is close by, and supermarkets and shops are a short drive away, so daily errands stay simple.

With a veranda for shade, a yard of its own and a pool a few steps away, much of life here can happen in the open air. It makes a comfortable base for everyday Mediterranean living in a Paphos village.
