Description
Life in the Agios Nikolaos quarter of Kato Polemidia has an easy, neighbourly rhythm, and this two-bedroom apartment puts you right in the middle of it. It sits in a small residential building of just twelve homes, a comfortable base in a lived-in corner of Limassol.

Inside, a living room and a kitchen with its own small dining area form the heart of the home. Two bedrooms and a bathroom with a shower complete a well-arranged layout. The covered veranda adds a sheltered spot outdoors for a morning coffee or an evening meal in the open air.

Practical touches make daily routines simpler. A dedicated covered parking space keeps the car close at hand, and a storage room on the ground floor gives bicycles, suitcases and seasonal things a place of their own.

Supermarkets and shops are a short drive away, and the Limassol to Paphos motorway is within easy reach for journeys across the district. It is a home where everyday life feels settled from the first morning on the veranda.
