Description
In the popular residential area of Chlorakas, life moves at an easy, sociable pace. Cafés, restaurants and the supermarket are all within walking distance, and the coastline is within easy reach for an afternoon by the sea. This charming semi-detached house sits right in the middle of that everyday rhythm.

Living is arranged over two floors. Downstairs, the living and dining area sits alongside the kitchen, a natural place for long family meals and evenings with friends. A guest toilet and a separate laundry area keep the daily chores tidy and out of the way, and verandas on this level invite a slow morning coffee outdoors.

Upstairs, three bedrooms share a main bathroom, and the master bedroom has its own en-suite shower. More verandas on the first floor offer a spot to unwind as the day winds down.

An uncovered parking space comes with the house, and Paphos town centre is a short drive away. It is a comfortable family home in a lively, well-served part of Chlorakas, with the sea never far from mind.
