Description
In the quiet residential quarter of Apostolos Loukas in Aradippou, this two-storey detached house gathers everyday life around a private yard, a barbecue area and a covered veranda, with restaurants and cafés within walking distance.

Downstairs, an open-plan living and dining area sets an easy pace for the day. The fully equipped kitchen has its own sitting area, so morning coffee and evening conversation can happen right where the cooking does. A guest toilet and a utility room take care of the practical side.

Upstairs are four bedrooms and a main bathroom. The master bedroom has an en-suite shower and opens onto a private balcony, a calm place to close the day. Outside, the yard and barbecue area invite long meals with friends, and a covered parking space shelters the car.

Larnaca is close by, bringing town life within easy reach of this peaceful neighbourhood. The sale is of a 17% share of the property.

Comfortable rooms inside, a yard to enjoy outside and a quiet setting around it make this house well worth a visit.
