Description
In a quiet residential corner of Meneou, this semi-detached home pairs a calm setting with everyday ease. Supermarkets and shops sit right next door, and Larnaca International Airport is only a short drive away.

Downstairs, life centres on open-plan living. A living and dining area sits beside a sitting area that shares its space with the kitchen, so cooking and conversation flow together. A guest toilet spares visitors a trip upstairs. On the first floor, three bedrooms share the main bathroom, and one has its own en-suite with a shower.

Outdoors, two verandas extend the home beyond its walls. The covered one offers shade for a long lunch, and the larger open one invites slow evenings under the sky. A covered parking space keeps the car out of the sun.

A quiet neighbourhood, shops on the doorstep and room to spread out inside and out make this a Meneou house that fits easily into daily life.
