For Sale : **€ 100,000**

Description
Village life in Liopetri sets the tone for this modern two-bedroom apartment. The village centre is a short drive away for everyday errands, and the Larnaca to Agia Napa motorway is within easy reach for trips further along the coast.

The home sits on the first floor of a two-storey building completed in 2008. Its layout is simple and sensible: a kitchen, a living area, two bedrooms and a main bathroom. Step out onto the uncovered veranda for a morning coffee in the open air, or for a breath of fresh air as the day winds down.

A dedicated covered parking space on the ground floor makes coming home easy, with the car kept out of the sun and close to your front door.

With its compact, modern layout and the village close at hand, this is a practical home for working days and unhurried weekends in Liopetri.
