Description
On the peaceful rural edge of Mazotos, just minutes from the seafront, this two-bedroom apartment offers relaxed living close to the coast, with the village close at hand.

The home is laid out over two levels. Upstairs, the living room and kitchen flow together in one open-plan space. They share the upper floor with an uncovered terrace of 48 m², a generous outdoor room for a slow breakfast, a long lunch in the open air or an evening spent with friends. A smaller covered veranda adds a sheltered spot to sit. Downstairs, the two bedrooms and the bathroom sit apart from the living area, so rest and daily life each have their own space.

Residents share a communal swimming pool and gym, so a swim or a workout can become part of the everyday routine. The village centre, with its cafés and restaurants, is a short drive away.

With the coast a few minutes away and a terrace made for outdoor living, this apartment offers an easy, unhurried way of life by the sea.
