For Sale : **€ 99,000**

**Description**
On the rural outskirts of Mazotos, with the village seafront within easy reach, this ground-floor apartment pairs the open feel of the countryside with the pull of the coast. It is a setting with a strong village character, where the sea is never far from your plans for the day.

Inside, the living room, kitchen and dining area share one open-plan space, so cooking, eating and conversation all happen together. There are two bedrooms, including a master with its own en-suite, and a main bathroom.

Much of life here can move outdoors. A covered veranda gives a shaded spot for a morning coffee, while a generous 30 m² uncovered veranda leaves room for a table, friends and long evenings in the open air. Residents also share a communal swimming pool and gym, so a swim or a workout is close to your front door.

The village centre is a short drive away. Built in 2010, it is a home made for easy, low-maintenance living, with the Mazotos coast close at hand.
