Description
In the quiet residential area of Apostolos Andreas, Limassol, this five-bedroom semi-detached house unfolds over three floors. Schools are within walking distance, and the city centre is a short drive away.

The ground floor opens into an open-plan living and dining area. There is also a kitchen with its own second living and dining space, a bathroom and a guest toilet. On the first floor, the five bedrooms share a living room, a kitchenette and a main bathroom, and two of the bedrooms have their own en-suite facilities. Two covered verandas lead off this level.

At the top of the house, a kitchen with a sitting room opens onto two uncovered verandas, an inviting spot for a morning coffee or a long evening outdoors. The house fronts onto two streets, with access from each, and has covered parking for one car.

With a place to cook and gather on every floor, the house offers a generous, flexible way of living. The sale is of a half share of the land on which the house stands. It offers room to spread out in a settled Limassol neighbourhood.
