Description
In the farming land of Frenaros, in the Famagusta district, this agricultural field covers 9,600 m². It is a sizeable area for planting and cultivation, or for holding land in the village. Its agricultural zoning makes farming its natural use. The field has no direct road access.

Neighbouring Avgorou and Agios Georgios Acheritou are both a short drive away, and the village centre of Frenaros is close by too.

A large, uncomplicated parcel of agricultural land in Frenaros.
