For Sale : **€ 35,000**

Description
Two agricultural fields in Frenaros together cover 33,698 m² of farmland in the Famagusta district. The larger field measures 28,083 m² and the smaller 5,615 m², giving ground suited to farming or planting. The neighbouring villages of Liopetri and Avgorou are a short drive away, as is the Frenaros village centre. The fields have no direct road access. The sale is a 33% share of both fields. Together, they form a sizeable holding of agricultural land in Frenaros.
