Description
Ayia Thekla, close to Sotira, has the easy-going air of a holiday neighbourhood, with holiday houses all around and the sea only a short distance away. Within this setting lies a sizeable field of 8,518 m² in a touristic zone, a broad canvas in an area shaped by summer days and coastal life.

The land suits tourist use, and its setting points to a holiday resort: guests waking to the Mediterranean nearby, afternoons on the sand and evenings in the cafés of the surrounding coast. Agia Thekla beach is close at hand, and the new Agia Napa Marina is a short drive away. Larnaca International Airport is about 30 km away.

The land has no direct road access.

With the sea so close and holiday homes all around, this is a sizeable stretch of touristic land where a holiday resort could one day bring the coast to its guests.
