Village life in Frenaros keeps Paralimni and Agia
Napa close...

For Sale : **€ 120,000**

Description
Village life in Frenaros keeps Paralimni and Agia Napa close at hand, and this residential parcel sits right within it. The local primary school is nearby, and the village centre is only a short drive away.

The sale covers the unused building rights within a residential parcel of 5,222 m². Fourteen houses already stand inside the parcel, alongside two vacant plots, so this is part of an existing residential setting rather than an open field. The parcel has its own direct access from the road.

The zoning points to a home, giving you the chance to shape one around village life, with Paralimni Lake and the neighbouring villages of Sotira and Liopetri a short drive away.

A residential footing in Frenaros, with a school close by and both Paralimni and Agia Napa within easy reach.
