For Sale : **€ 295,000**

**Description**
Frenaros keeps village life within easy reach. The village centre is a short drive away, and so is Paralimni Lake, a local nature spot for unhurried walks and open skies. Neighbouring Deryneia and Sotira lie close by too, so the wider area opens up around you.

The field covers 20,857 m² of residential land, a large stretch of ground with room for a home. There is space to think about how a house might sit on the land, where the morning might begin and where an evening might wind down, with the village close at hand for errands and coffee.

The land has no direct road access, so it is worth bearing in mind when planning. The sale is for a 60% share of the field.

For anyone drawn to the Frenaros area, this is a generous piece of residential land, with the village centre and Paralimni Lake both a short drive away.
