Distant sea views give this residential land in Paralimni it...

For Sale : **€ 22,000**

**Description**
Distant sea views give this residential land in Paralimni its quiet pull. Look out towards the horizon and the coast feels close, and in daily life it is: the beaches are a short drive away, and so is the centre of Paralimni town.

The land covers 1,369 m² and borders a road, which gives it direct road access. Its residential zoning points to a clear use: room for a home of your own, planned around that glimpse of the sea in the distance. It is a place to imagine how a house might sit on the land and how each day could start with the water on the horizon.

Here, town life and time by the sea sit comfortably together, with errands in the town and an afternoon on the beach equally within easy reach. The sale is of a 34.21% share of the land.

A residential setting, a sea view in the distance and the coast a short drive away make this land well worth a closer look.
