For Sale : **€ 410,000**

Description
With the beach within easy reach and the town centre a short drive away, this large field sits in Agia Napa among houses, holiday developments and stretches of open land. The neighbourhood has a relaxed residential character, and the sea is never far from the mind.

At 9,378 m² and zoned for residential use, the land offers room for a home in a setting where coastal life sets the rhythm of the day. Picture mornings that begin with a trip down to the shore, and afternoons spent visiting the Agia Napa Monastery or browsing the cafés and shops of the town centre, both a short drive away. The surrounding mix of homes and holiday properties gives the area a lived-in, welcoming feel without crowding it.

The land has no direct road access. The sale covers a 77.58% share of the field.

A large residential field in Agia Napa, with the beach and the life of the town close by, waits for the next chapter in its story.
