For Sale : **€ 9,500**

Description
Distant sea views set the mood on this residential land in Paralimni, with the area's beaches a short drive away. Imagine standing here as the day settles and letting your gaze drift out to the faraway line of blue on the horizon.

The field covers 635 m² in a residential zone, which offers room for a home that could be shaped around that view from the very first sketch. The centre of Paralimni is also a short drive away, so town life and the coast both sit within easy reach of the area.

The land has no direct road access. The sale is for a 34.21% share of the land.

For anyone drawn to the idea of a home on Paralimni's side of the coast, it is the promise of those distant sea views that lingers longest.
