Village life sets the tone in Anafotida, a Larnaca community...

For Sale : **€ 235,000**

Description
Village life sets the tone in Anafotida, a Larnaca community where the school, the cafés and the everyday bustle of the centre are only a short drive away. This large residential field sits close to that centre, so the familiar rhythm of the village is never far off. Larnaca International Airport is a drive away when travel calls.

Covering 16,389 m², the land is zoned for residential use. There is room here for a home shaped around your own ideas, with the village around it and the comings and goings of the centre close by. It is a site to judge on what it genuinely offers: its generous size, its residential use and its place near the heart of the community.

The land has no direct road access. A distribution agreement is in place. The sale is of a 50% share of the field.

Sizeable, residential and close to the village centre, it keeps the heart of Anafotida within reach.
