For Sale : **€ 30,000**

Description
Close to the heart of Pano Arodes, this residential field sits in a village with a strong local character. Cafés, shops and everyday life are never far away. Neighbouring Kato Arodes and the town of Peyia are a short drive off, and the beaches of Toxeftra and White River Beach are within a drive.

The land covers 2,209 m² and fronts onto a road, so it has direct road access. Its residential zoning gives room for a home. A site of this size lets you set the design priorities from the very start, from the layout to the way the house sits on the land.

Picture unhurried days in an unpretentious village, with coffee in the centre close by and afternoons spent driving out to the coast. Paphos International Airport is about 25 km away, which keeps travel to and from the island simple.

The sale is for a 60% share of the field.

This is residential land close to the life of the village, with the coast within easy reach.
