Dali's Panagia Evangelistria quarter pairs a village setting...

For Sale : **€ 105,000**

Description
Dali's Panagia Evangelistria quarter pairs a village setting with everyday ease. Restaurants and cafés are within walking distance, and neighbouring Pera Chorio is only a short drive away. Here a large residential field of 9,309 m² gives you room to think about a home in a community with a neighbourhood feel.

The field fronts a road, so it has direct road access, and its residential zoning points to a family home. Picture an evening stroll down to a local café for coffee with friends, then the walk back to the land you have planned around your own life. The sense of space comes from the land itself, an open canvas with no fixed plan.

The sale is for a 25% share of the field.

A sizeable stretch of residential land within walking distance of Dali's cafés, it is well worth a closer look.
