Description

Residential Field for Sale in Peristerona, Paphos District
Discover an excellent opportunity to acquire residential land in an area that combines natural beauty, tranquility, and future development potential. This residential field in Peristerona, Paphos District, is an ideal choice for buyers seeking a property in an authentic Cypriot setting, whether for future development or long-term real estate investment.
The property is situated approximately 570 meters northeast of the community center and around 400 meters north of the main road connecting the villages of Peristerona and Maladeia. Its location offers convenient accessibility while maintaining the peace and privacy that characterize the area.
The field has an irregular shape and a slightly sloping surface, features that add character to the property and allow for flexible development possibilities. In addition, it abuts an under-registration road along its eastern boundary, with approximately 120 meters of frontage, significantly enhancing its future development potential.
The surrounding area is renowned for its beautiful natural environment, featuring lush landscapes and open countryside views, creating an ideal setting for those seeking quality living and a close connection to nature.
Whether you are looking for land to develop a residence or seeking a secure real estate investment in Cyprus, this property represents an excellent opportunity in an area with growing demand and strong future appreciation potential.
Do not miss this exceptional opportunity.
