Description
In Kornos, in the Larnaca district, this field of 10,034 m² has direct road access along a generous frontage and borders state land on two sides. The Nicosia–Limassol motorway runs close by, and the village centre and neighbouring Delikipos are a short drive away.

The land lies within a protection zone. It is currently occupied.

A sizeable field with its own road frontage, set close to the main route between Nicosia and Limassol.
