Description
In the Agios Georgios quarter of Latsia, this field covers 10,510 m² in an area of detached and semi-detached houses. Central Nicosia and the motorway network are within easy reach, and Strovolos and Lakatameia are a short drive away.

The planning zone allows offices, sports facilities, low-key leisure and entertainment facilities, and developments such as car showrooms. About 300 m² of the land is affected by road widening. It is a sizeable, versatile field in a well-connected part of Nicosia district.
