For Sale : **€ 145,000**

Description
Kornos keeps the easy rhythm of a Larnaca village, and this large residential field sits close to its heart, a short walk from the community council and within strolling distance of local restaurants and cafés.

With 4,850 m² zoned for residential use, the land offers room for a home planned around the way you want to live. Picture mornings that begin with a walk to a village café for coffee, while the supermarket, schools and neighbouring Pyrga are all a short drive away. Larnaca International Airport is about 20 km off.

The land has no direct road access; it is reached by a right-of-way across the adjoining parcels.

Village life close at hand and generous space to shape a future home make this a piece of Kornos that deserves a closer look.
