Description
In the open countryside of Choirokoitia, in the Larnaca district, this agricultural field covers 41,138 m². It lies in the wider village area, not far from the village centre and from the neighbouring villages of Agios Theodoros and Skarinou.

The land is zoned for agricultural use, which suits farming or planting. It has no direct road access. It is currently requisitioned by the Ministry of Defence. This is a large, open piece of farmland in the Choirokoitia area.
