Description
Close to the centre of Thrinia, with neighbouring Lasa just a short way off, this residential field places you within the easy rhythm of village life in the Paphos district. It is a setting where the village is always near at hand.

The land extends to 5,352 m² and is zoned for residential use. That leaves room for a home shaped around your own plans, a canvas for a bespoke residence that you design from the ground up.

Supermarkets and shops are a short drive away, and the Kannaviou Reservoir lies within a drive for days spent by the water. The land has no direct road access.

A large residential field near the heart of Thrinia, ready for the home you have in mind to take shape.
