Description
In the farming countryside of Asgata, in the Limassol district, this agricultural field covers 22,743 m². Its agricultural zoning makes it suited to farming or planting, and its size gives generous room for crops on a sizeable scale.

The centre of Asgata village is a short drive away, and the neighbouring villages of Pentakomo and Monagroulli are also close by. The land has no direct road access. It is a large agricultural field in the Asgata area.
