Description
Set among farmland in Vavla village, in the Larnaca district, this agricultural field covers 9,700 m². The land around it is made up of other agricultural fields, so the setting is fully agricultural. Its agricultural zoning suits farming or planting, or simply holding land in the countryside.

The field has no direct road access. The centre of Vavla is a short drive away, as are the neighbouring villages of Lageia and Ora. This is a sizeable piece of agricultural land in a farming area of the Larnaca countryside.
