For Sale : **€ 60,000**

Description
Village life in Klirou sets the scene for this residential land in the Nicosia district. The village centre is a short drive away, and so is the nature spot of Perátis, while Tamasos Lake lies a little further out for days spent by the water's edge.

The land covers 2,007 m² in a residential zone, which gives room for a home designed around its setting and the way you want to live. The land has no direct road access.

Here, a long-term home could begin with the ground itself: a place in a Cypriot village where shops, cafés and everyday services sit within a short drive, and nature is never far from the door. Klirou offers a grounded, unhurried village life, and this land is a place to make it your own.
