For Sale : **€ 40,000**

Description
Set in the open countryside of Klirou, in the Nicosia district, this agricultural field covers 8,027 m². The land is zoned for farming and borders a road, so it has direct road access.

The centre of Klirou is a short drive away, as is the neighbouring village of Kalo Chorio Oreinis, and the main roads of the area are within a drive.

This is a sizeable piece of agricultural land in the Klirou countryside, suited to farming or planting.
