Description
Salamiou, in the Paphos district, is the setting for this sizeable agricultural field of 17,057 m². The land sits outside the village, not far from neighbouring Kelokedara, with Kidasi and Mesana also in the surrounding area. Its agricultural zoning suits farming and planting, or holding a large parcel of countryside land in this part of Paphos. The field has no direct road access. It is a generous piece of agricultural land within the Salamiou area.
