Description
Set among farmland in the countryside of Peristerona, this agricultural field covers 4,683 m². Its zoning is agricultural, so the ground lends itself to farming or planting, in keeping with the fields that make up the wider area around it.

The land has no direct road access. It lies away from Peristerona's village centre, and the villages of Potami and Orounta are also nearby. It is a sizeable piece of agricultural ground in a working farming landscape.
