Description
In the farmland outside Pachna, this agricultural field covers 8,504 m² and can be used for farming or planting. It abuts a public dirt road along a long frontage, which gives it direct road access. It also lies a short way from the road linking Pachna with Anogyra.

The village centre of Pachna is a short drive away, as are the neighbouring villages of Dora and Kissousa. The Limassol - Paphos Motorway is within driving distance. This is a sizeable field of agricultural land with its own road frontage.
