For Sale : **€ 35,000**

Description
In the Limassol district village of Sykopetra, five fields come together as one holding of 25,559 m². They lie a short way from the village centre, and the neighbouring village of Arakapas is also a short drive away.

The fields fall within a Natura protection zone. The five parcels come as one purchase, giving a sizeable area of land in a single holding. Five neighbouring fields on the edge of Sykopetra, together forming a large expanse of land.
