Description
Arakapas, a village in the Limassol district, is home to this field of 5,686 m². The village centre is a short drive away, as are the neighbouring villages of Dierona and Sykopetra, so the land sits within the familiar life of this part of the district.

The field lies in a protection zone. It has no direct road access.

This is a sizeable piece of land in the Arakapas area, set some way from the village's residential area.
