For Sale : **€ 22,500**

Description
A short walk from the heart of Agios Epifanios Oreinis, this residential field keeps village life close at hand: the centre, its everyday rhythm and the familiar faces of a small Nicosia district community.

The land covers 2,676 m² within a residential zone, leaving room for a home planned around your own priorities from the very first sketch. The land has no direct road access.

Beyond the village, the setting opens towards nature and character. Mitsero mines Lake is a short drive away, a pleasant place for an unhurried afternoon outdoors, while the heritage site of Fikardou lies a drive further on. Neighbouring Kalo Chorio Oreinis is also close by, so the wider area offers more than one village to get to know.

The sale is for a 50% share of the field. What stays with you is the simple promise of the place: residential land a short stroll from the centre of a village, with lakeside walks and heritage within easy reach.
