For Sale : **€ 45,000**

Description
Two adjoining agricultural fields in Astromeritis, in the Nicosia district, together cover 15,386 m² of farmland. Lying side by side, they make one sizeable block of land for farming or planting. The fields sit a short drive from the centre of Astromeritis and from the neighbouring village of Potami, and main roads serve the surrounding area. Together, the two parcels give a large, continuous stretch of agricultural ground.
