

For Sale, Land, Nicosia, Potami, 17,057m²

Close to the centre of Potami village, this large field of 1...

For Sale : **€ 160,000**

Description
Close to the centre of Potami village, this large field of 17,057 m² has a long road frontage and direct road access. Part of the land is in an agricultural zone, suited to farming and planting, and part is in a residential zone, with room for a home. The size of each part is not known.

The Astromeritis - Evrychou Motorway is within easy reach, and the village of Vyzakia is a short drive away. A sizeable, road-fronted piece of land with both farming and residential uses.
