Description
In the rural countryside of Gerasa, this agricultural field covers 7,358 m² of sloping ground with an irregular shape. The wider area is rural, with large stretches of land covered in pine trees. Its agricultural zoning suits farming or planting. The centre of Gerasa is a short drive away, and so are the neighbouring villages of Apsiou and Apesia. The field has no direct road access. It is a sizeable piece of sloping farmland in a pine-covered rural landscape.
