For Sale : **€ 67,000**

Description
Set in the farmland of Linou, in the Nicosia district, this agricultural field covers 31,104 m². Its size and agricultural zoning suit farming, planting and cultivation.

The field has no direct road access. The centre of Linou is a short drive away, and so are the neighbouring villages of Katydata and Flasou.

It is a large single field of agricultural land within the Linou village area.
