

For Sale, Land, Field, Larnaca, Skarinou, 4,015m²

For Sale : **€ 200,000**

Description
Two contiguous residential fields 200m northwest of the center of Skarino. In the area, there is a development of luxury holiday home complexes and the demand in the area makes the plots ideal for development and/or development of complexes.

The size of the fields is 4,015sqm. They fall under zone H2 with 90% building density, 50% coverage factor, maximum floor 2, and a maximum height of 8,3m.

The title deeds are available.
