Description
Set in the countryside around Pelendri in the Limassol district, this agricultural field covers 25,753 m². Its agricultural zoning suits farming and planting. The land can also simply be held as a sizeable piece of ground in the area. The land has no direct road access.

The Pelendri village centre is a short drive away, and the neighbouring village of Amiantos is also close by. This is a large stretch of farmland in a rural part of Limassol.
