For Sale : **€ 40,000**

Description
Two agricultural fields in Agia Marina Xyliatou together cover 16,827 m². They lie a short drive from the village centre and from neighbouring Xyliatos. The land is zoned for agriculture and suits farming and planting.

One field fronts the main road and has direct road access. The other field has no direct road access. The land is currently requisitioned by the Ministry of Defence. Together, the two fields form a sizeable holding of agricultural land in the Nicosia district.
